

Called to Salvation

Ephesians 2:1-13; 3:14-19

by Jon Wolf

- By grace, because of God's mercy and love, not because we are worthy
- Included in Christ when we hear the word of truth and respond to the One who calls with faith
- God's workmanship, created in Christ to do good works

Application

1. Respond to the word of truth with faith, trusting Christ as both Savior and Lord
2. Be thankful, not taking the gift of salvation for granted, but rather displaying God's grace through our lives
3. Faithfully bearing the fruit of salvation, doing the good that God has prepared for us
