

## Called to Love One Another

Ephesians 4

by Brian Fredrickson

- Chapter 4 begins and ends with a call to love one another.
- 4:11-13. What Christ did and why He did it.
- 4:13-16. The aim is to produce maturity so gospel can be shared.

Loving One Another is how we achieve Unity.

UNITY is how we achieve MATURITY and the fullness of Christ

3 actions that demonstrate maturity:

1. 4:25 Do not speak falsely, but share the truth in love.
2. 4:28 Do not steal, but do work that builds up the body.
3. 4:29 Do not use harsh words that tear people down, but speak praises about people to encourage them and build them up.
