

Faith Works: Transformed not Conformed

by Jon Wolf

James 4

Application Questions

- Have you gotten caught up, along with the world around you, in the pursuit of pleasure? Is this creating conflict in your family, in your relationships with others?
- Do you, in your pride, seek to place yourself above others by speaking against them, and standing in judgement over them? Do you tempt others to do this with you?
- Do you genuinely come before God day by day and say, "Lord, not my will but yours be done?" Or are you pursuing your plans without reference to him, much less in subjection to him?
